# Predator

ELV AND LIGHT SCRAP BALERS

Experience and innovation are at the heart of Predator balers. Power and speed are part of the DNA of this baler. The Predator has been designed for heavy duty applications.

**Feedbox** - Very wide for extra volume accepts scrap others can't  
**Hammer** - Powerful crushing as it moves further inside the box  
**Lids** - Extra power for fast closing system  
**Two opposed pressing blocks** - Superior force and speed  
**Modular system** - Mobile - semi mobile or static

	Predator HS	Predator	Predator ECO
